Very Pretty Bag and Roomy too!, October 2, 2007

By [H. G. Valladares "Heaven sent :\)"](#) (San Francisco, CA) - [See all my reviews](#)

This review is from: **Tignanello Perfect 10 Studded Shopper (Apparel)**

You'll never go wrong with a tignanello bag! The leather quality is superb! This bag is exceptionally roomy and really nice to look at! love it love it love it! I used it for the first time today at work and I can't stop touching the leather because it's so soft and the pebble leather is classic-looking and definitely won't go out of style!! I got the black one so that I can use it anywhere. Whether in the office or out shopping I can definitely use and pair it with my favorite blouses and skirts.

Nice Handbag, January 2, 2008

By [an honest reviewer](#) - [See all my reviews](#)

This review is from: [Tignanello Perfect 10 French Tote \(Apparel\)](#)

I bought this on sale for a friend who liked it. What I don't really like is the contrasting stitching on the bag. I preferred the smooth texture to the pebbled grain. It has a magnetic closure, there is no zipper and so your things aren't secured from the top. It is overall a very nice, convenient bag.

Tignanello Crossbody Organizer is perfect, March 3, 2008

By [S. Brown](#) (Michigan) - [See all my reviews](#)

This review is from: [Tignanello Perfect Body Cross-Body \(Apparel\)](#)

The Tignanello Perfect Body Crossbody Organizer is the perfect purse to carry to sporting events that have restrictions on the size of a bag a person can bring into a stadium or arena. The price on Amazon was perfect, too! Cheaper than Macy's, plus free shipping, made the decision to purchase from Amazon easy.

Amazon Verified Purchase [\(What's this?\)](#)

This review is from: [Tignanello Perfect Body Cross-Body \(Apparel\)](#)

I ordered the maize color and it's so beautiful. The front zippered compartment has slots for credit cards, id cards, etc. The inside has another zippered compartment that I use for my cash and change. The only thing I would have liked is to be able to adjust the length of the strap. I'm short and hangs a little bit too low on my hip. Over all, the bag has enough room inside for some makeup, a small change purse, and other small items. The texture is very soft and supple and I don't find myself crushing in items to make them fit.

Wonderful Satchel from Tignanello, May 9, 2008

By [S. Henson](#) (Virginia) - [See all my reviews](#)

This review is from: Tignanello Pocket Perfection Swagger Satchel (Apparel)

This is my fourth Tignanello bag, and it's a winner! I have it in honey and it is gorgeous. It's classy and an organizational dream; it has two outside zip pockets, a center zip-top compartment, and two compartments on either side that have magnetic closures. Inside the center zip-top compartment, there are two eyeglass/cell phone pockets and a zip pocket. The only strange thing about this bag is that the zippers used on the two outside pockets are different. This is odd, but doesn't detract. The overall size of the bag is deceiving -- while it is not large, it can hold a lot! The leather is so nice, and the weight of the bag is ideal for me. You know it's there, but it's not heavy. The honey color and silvertone hardware goes well with so many clothes. I can tell that this is going to be my "go-to" daily bag, and I will take it on upcoming vacations and business trips alike. I wanted to find a classy, mid-sized bag with lots of organization for daily use and trips, and this one more than fits the bill.

Great bag!, December 10, 2008

By [S. Nelson](#) (florida) - [See all my reviews](#)

This review is from: Tignanello Pocket Perfection Swagger Satchel (Apparel)

I purchased this in black. It has very good quality and a nice silky interior. There are zipper pockets on the outside on both sides, open areas (with hidden magnetic closure) on each side and a big zipper compartment in the middle with hidden zipper compartment. I think that it is the most perfect bag I have owned so far. I purchased it on special and that price is so longer valid otherwise I would purchase another one in another color. If all of the Tignanello bags are the same quality, I would not hesitate in buying any of them.

I love this bag! It's my first Tignanello bag and I will definitely be purchasing more. I bought it in classic black, but am considering purchasing another one in a different color. The leather is soooo soft. Lots of room. Love the two side pockets with the magnetic closure....makes it easy for quick items like keys and phone, etc.

I would not hesitate in recommending it.

Soft leather, May 23, 2009

Really soft leather that I prefer. I like the two outer side pockets for drinks, sippy cups, etc. Plenty of room to carry everything I need. The inside center zippered pouch is large enough to keep my large wallet and other valuables. Only reason I rate a four, is that the leather is so soft with no support on the bottom --so it makes it hard to find things being so deep. Overall, the quality is excellent.

The Tignanello touchable leather is SO soft! I love it. I like the size of the tote - not super big, but comfortable to carry on the shoulder. Tignanello has become my favorite brand for handbags.

Really a Tig Winner

Butter soft leather, but doesn't scratch badly. I've carried mine for several months, and thoroughly enjoy it. It is squishy and doesn't stand up tall. [Read more](#)
